In accordance with (IAW) the Constitution and Bylaws of the Grand Chapter, any benefit due to my estate shall be paid to my primary designated beneficiary. In such case as my primary beneficiary is deceased or no longer qualified to receive my benefit, the procedures established IAW said Constitution and Bylaws shall be followed. I fully understand that any beneficiary named by me must be at least eighteen (18) years of age to qualify to receive my benefit. I further state that any certificate or instrument presented designating any other person(s) as my beneficiary shall be considered as null and void. I also acknowledge that my failure to update this form when changes occur may result in my benefit being paid to an individual designated on a previous form(s) and that only the most current signed form will be used. In the event that no beneficiary is designated, benefit may be applied to the funeral home toward burial expenses or retained in HRAM Burial Account if none of the above shall apply.

After giving careful consideration to my option to select the beneficiary of my choosing, I have decided to make a completely different selection to donate my benefit to. My selection is to designate my benefit to go the Funeral Home taking care of my home-going arrangements, my Holy Royal Arch Chapter, the Grand Chapter of Holy Royal Arch Masons or other. I make this choice with a clear conscience and good intention.
